The background image is a high-angle aerial photograph of a coastal urban area at night. The city is densely packed with buildings, their lights forming a complex pattern of yellow and white against the dark sky. The coastline is visible, with the lights of the city reflected in the dark water of a bay or river. In the foreground, the silhouette of hills or mountains is visible against the bright lights of the city.

WELCOME TO UNIVERSITY

We show what is not visible to the naked eye. What seemed distant to us is now considered close.

Find your passion

We were born to create, explore new horizons, conquer, etc. With each step we are closer to space exploration. Join us to be even closer

we conquered the continents, now we conquer space

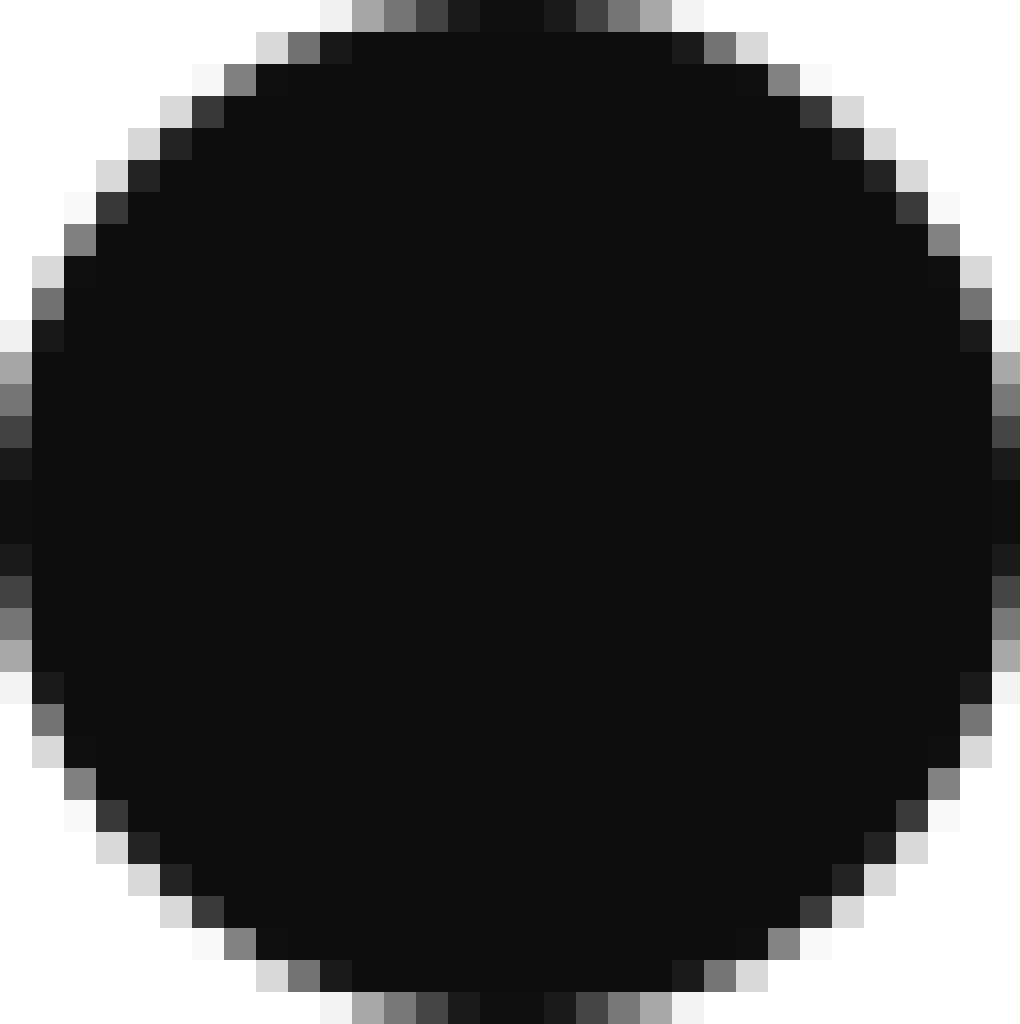

Find life in this endless space

Protect the earth from outer space threats

Conquer, master, prove your achievements

GOALS
